STUDENT FEEDBACK

“

At first, admittedly, I felt slightly overwhelmed by the Employability Service and all that it offers, but now I feel so grateful for the caring, personalised and wide-ranging support that I have received.

THE EMPLOYMENT PROMISE

EMPLOYER FEEDBACK

THE EMPLOYMENT PROMISE

Xxxxx has been extremely professional during his internship tenure with our company. He has been able to build a very strong foundation for our marketing initiatives across the globe, with a focus on digital streams. Based on past experience and recent expertise gained during his formal education in the UK, he has been able to accelerate our GTM plans for multiple B2B verticals. Thanks to his man-management skills, we've been able to build a strong team of marketing executives.

Placement Student Feedback

Anjali Asok, MSc Corporate Financial Management with Placement Year, ULBS London Moorgate

“My placement at Amazon as a Product Manager Intern gave me the ability to manage strategic campaigns and I successfully scheduled over 200. My placement was an incredible experience, filled with learning and opportunities. After graduation I’m thrilled to rejoin Amazon as a Brand Specialist to take the next step in my career”

Gloria, MSc Strategic Business Management with Placement Year, ULBS Birmingham

“My placement with Pathos Foods has been a game-changing chapter in my professional story where I have embraced change and fine-tuned key skills such as strategic thinking, leadership, and effective communication. This experience has honed my adaptability and prepared me for what lies ahead” |
